

# HEART FOR THE WORLD *Vineyard*

June 22, 2006

To Whom It May Concern:

We, the pastors and elders of Heart for the World Vineyard Church, recommend Ian and Katie Strascina to work as missionaries in Japan with J-House for a period of 2 years beginning in August 2006.

We are supporting Ian and Katie Strascina in their ministry at J-House. We understand that their responsibilities and duties for J-House will include:

1. Assisting in Campus Outreach activities.
2. Sharing the gospel through English classes.
3. Planning and helping to lead church activities.
4. Helping with bilingual Gospel worship services.
5. Assisting in outreach to the Japanese and foreigners living in Japan.
6. Leading Bible studies to help Christians grow in their faith.

We also understand that they will be learning Japanese culture and language to help in life and ministry in Japan.

Thank you so much for considering a visa for Ian and Katie Strascina, so that they may assist in ministry at J-House.

Sincerely yours,

Dale Walker, Senior Pastor
