

HEART FOR THE WORLD  
*Vineyard*

June 22, 2006

To Whom It May Concern:

We, being the Pastor and the Elders, of Heart for the World Vineyard Church, recognize J-House as a sister church, sharing the same goals of glorifying God; serving the local community of believers; reaching out to the community; sending out missionaries, and helping people find and follow Jesus.

It is our joy to bless and send Ian and Katie Strascina from our congregation, to join yours.

May God richly bless you.
